Interpretation of Portion of Public Law 110 Pertaining to the
Storage of Household and Personal Effects

1. Reference is made to your memorandum of 11 August 1953 on the above subject.
2. The phrase "usual post of duty" appears to mean the employee's "permanent post of duty", or the "post of assignment" as it is referred to in Section 6 of the Foreign Service Travel Regulations, which implement the equivalent section of the Foreign Service Act of 1946. The Section of PL 110 to which you refer was copied from Section 911(4) of the Foreign Service Act.
3. The typical situation covered by this section is where an employee is ordered away from his permanent duty post on TDY for an extended period. In such a case it may be to the advantage of the Government to give up his quarters and store his furniture until his return.
4. We will be glad to comment further on any specific factual situation which you may have in mind.
